

Albion Municipal Code

"Law: an ordinance of reason for the common good, made by him who has care of the community."

Thomas Aquinas

The City of Albion strives to be a community of transparency to support the prosperous lives of its citizens. The code described here is a guide for continuing to foster respect for public and private spaces and processes. All citizens are free to ask for clarity in regard to this code and suggest changes for the benefit of the community by addressing the Albion City Council.

Any project you are undertaking, whether a private citizen, business or contractor, should reference relevant municipal code before proceeding.
