

Building business together.

Albion Chamber of Commerce will continuously promote and advance the social and economic interests of the greater Albion area, in order to benefit the citizens and patrons of the area. - Chamber of Commerce Vision

The Albion Chamber of Commerce is a membership-based organization that has been serving our members and promoting their businesses since 1954. We currently have 108 businesses that enjoy the benefits that come with a Chamber membership. The Chamber works as a vehicle through which businesses and professional people are organized to work together, and to define and solve problems for the improvement of Albion as a place to live and work.

The Albion Chamber of Commerce is able to support local businesses through referrals, advertising opportunities, visibility for members and their businesses, networking opportunities, the ability to accept Chamber Bucks, educational opportunities, and access to valuable information. We also hold yearly community events; some of which include the Rhythm & Ribs grill competition and concert, the Halloween Parade, and customer appreciation days during the holidays to promote shopping local.

Yearly Chamber Events

January

February

March

April

May

June - Beer Run 5K Run/Walk, 4th & Church (Runners & Walkers meet at the corner of 4th and Church for a 5K during Albion/Boone Central Alumni Weekend.)
