The Good Life in Albion, Nebraska

There's a time for work and a time to enjoy the journey...and we have plenty of ways to make it a memorable ride.

Quality of life goes well beyond business and services. Entertainment and dining brings families and people throughout the area together. See the history of Albion while strolling through the Boone County Historical Museum. Head outdoors for a round of golf at Albion Country Club, Friday night car races, or to enjoy one of our local parks. Or, come to experience one of our annual events like Rhythm 'n Ribs or the Boone County Fair. However you choose to fill your calendar, there's plenty to do and see right here at home.
